"Catarrh Agony from Catarrh."
Prof. W. H. Johnson, the famous mesmerist, of Kansas, Mo., writes: "Some ten years ago I suffered with a severe case of Catarrh. My family physician advised me to use a remedy, but I must die. My case was such a failure that every day, I was in agony. My voice would become so hoarse I could scarcely speak above a whisper. The sneezing and coughing and clearing of the throat would be so incessant, that I could not get any rest. By the use of Dr. Sage's Catarrh Remedy, in three months, I was well again, and the cure has been permanent."

"Constantly Coughing and Spitting."
Thomas J. Bushing, Esq., 2922 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from Catarrh for three years. At times I could hardly breathe, and was constantly coughing and spitting. For the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only safe remedy for Catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid, to any address, on receipt of a two-cent postage stamp.
